

Ezra is the mobile counselling centre for victims of right-wing, racist and anti-Semitic violence in Thuringia.

We give advice, accompany and support people who have been attacked out of group-based enmity motives. In addition the offer is aimed at family members as well as at witnesses.

Refugio Thüringen e.V. consider themselves as an advocate for the refugees living in Thuringia, who are seriously burdened as a result of the experiences they have had in their countries of origin, which has caused damage to their psychological integrity.

The **Flüchtlingsrat Thüringen e.V.** is a non-governmental organisation that advocates for the rights of refugees in Thuringia. They can apply to us when they have had their rights infringed and want to do something about it and/or want to make grievances public.
